

# L'AUTRE REGARD (THIRD EYE)

**Enter in the circle & Let them watch you**

We could hear them whispering :

*« I'll naturally be able to love among hatred*

*To give, even if nothing's left*

*To work with all my heart among darkness*

*To give an hand despite solitude and loneliness*

*To wipe away your tears despite my own sadness*

*Ans I'll keep believing, when no one even believes in me »*

Paolo Coehlo, Aleph

**Let them see you and then,  
LET THEM SHOW YOU !**
